ABC Grant Request Instructions

Submit requests to Academic Booster Club, in care of Laurie Laird, Montrose RE-1J 126 S. 5th St., Montrose, CO 81401 (or use school in-district mail).

Applications must be received by the last Monday of the month to be considered at the next month's A+BC board meeting.

The Academic Booster Club grants committee evaluates the requests, ascertaining their compliance with A+BC criteria, then reports to the whole board. Each application is carefully considered. Grant requests may be submitted from September through April.

If the grant is approved, applicants will be notified by a member of the grants committee regarding the amount of the grant and the grant number, and a check will be presented by the A+BC to the Montrose RE-1J Board of Education at their meeting (second Wednesday of each month). Following the school board's acceptance of the donation, applicants may make arrangements with Beverly Townsend (district office, 252-7916) to receive the funds. **School staff who use purchase orders must indicate the grant number on the purchase order form. Please allow three days for the office to process requests.**

If the grant is denied, applicants will be notified by a member of the grants committee regarding the reason for the denial.

To raise community awareness of academic projects and the A+BC funding of them, grant recipients are asked to submit an article to the Montrose Daily Press which describes the grant and our contribution to it. In addition, recipients may be invited to make a presentation at one of our four general meetings.
